Description: Journalist Susan Casey joins a strange band of surfer-scientists on a remote island off the California coast for some close encounters with the jaws of the world's most mysterious and fearsome predators in the New York Times bestseller, The Devil's Teeth: A True Story of Obsession and Survival Among America's Great White Sharks.Susan Casey was in her...

Review: The Farallon Islands—a rocky and barren chain of jutting, granite peaks—sit just 27 miles from the San Francisco coastline. A handful of biologists reside in this remote outpost to study the bird, pinniped, and shark populations. Every fall, great white sharks arrive to feed on the local seal population and Ms. Casey delves into the research undertaken...
